

Employee Handbook

1. Work From Home Policy

Employees are allowed to work from home up to three days per week depending on project requirements. Employees must remain available during core working hours from 10 AM to 6 PM. Managers may revoke work-from-home privileges if productivity issues are observed.

2. Leave Policy

Full-time employees receive 24 paid leaves annually. Sick leave of up to 12 days is available each year. Casual leave requests should be submitted through the HR portal at least two days in advance. Emergency leave can be approved by managers directly.

3. Travel Reimbursement

Employees traveling for business purposes are eligible for reimbursement of hotel, food, and transportation expenses. Taxi reimbursements above 2000 INR require manager approval. Flight bookings must be made through approved travel vendors.

4. Information Security Policy

Employees must not share passwords or confidential information externally. All company laptops should have disk encryption enabled. Use of personal USB devices is prohibited unless approved by the security team.

5. Performance Review Process

Performance reviews are conducted twice a year. Employees are evaluated based on technical contribution, teamwork, communication, and leadership. Managers are responsible for providing constructive feedback during review cycles.

6. Medical Insurance

Employees become eligible for medical insurance after 90 days of employment. Coverage includes spouse and dependent children. Claims must be submitted within 60 days of hospitalization.

7. Refund Policy

Employees can request reimbursement for approved office purchases within 30 days of purchase date. Refund requests must include original invoices and manager approval. Finance team processes approved claims within 10 business days.

8. Laptop Usage Policy

Company laptops should only be used for official purposes. Installation of unauthorized software is prohibited. Devices should be locked when unattended.

9. Training and Certification

Employees are encouraged to complete technical certifications relevant to their role. The company reimburses certification costs for approved programs after successful completion.

10. Exit Process

Employees leaving the organization must complete asset return, knowledge transfer, and clearance formalities before final settlement is processed.
